

Member Pledge to SCCOP and Southern Cameroons

"I (name).....pledge allegiance to the covenant of the people of Southern Cameroons/Ambazonia to correct the injustices of the past and regain what is rightfully theirs in the eyes of man and in the eyes of the law.

As a member of SCCOP, I affirm allegiance to the Constitution and Revolutionary Philosophy of the movement. I affirm that I will faithfully perform the duties conferred upon me, the best of my ability. I also affirm that as long as I am a member of SCCOP, I will pledge allegiance to no other movement or group.

I understand and accept that every revolution is anchored in Discipline and therefore submit myself to whatever position is adopted by SCCOP through its democratic process. I also understand that I cannot divorce myself from the position adopted by the movement and therefore will actively work to influence the decisions and direction of the movement. However, should the adopted position not tally with mine and that it reflects the position of the majority, then I would readily sacrifice my personal position and align with the majority as a disciplined cadre of the movement.

As enshrined in the Manifesto of SCCOP, the movement is anchored in *Political Education, Discipline and loyalty to Country*. I submit that any form of indiscipline outside the confines of the movement is tantamount to betrayal not only of SCCOP but of the People's revolution. It is based on this understanding that I adhere to SCCOP's new revolutionary mantra of "*The Force of Argument and the Argument of Force*"

I understand that I must at all times put the Revolution First, the Movement Second and the individual last. Hence, I pledge my allegiance to no individual but rather will at all times put country and flag above all else.

By signing this Pledge of Loyalty, I affirm that I have read and understood SCCOP's guiding philosophy by carefully reading and clearly understanding her Constitution, her bylaws and her Manifesto!

I pledge that to the best of my ability and my beliefs; I will live up to this oath of honor. So, help me God!
